

Step 1

Choose 16 words from the word bank below and write them at random, with one in each square on the game board.

Step 2

Pair up with a partner, taking turns reading one term at a time from the word bank. Cross out each term as you read it. Listen carefully, and when your partner calls out a term that you have written in one of your squares, cross it out with an X while telling your partner: 我有 (yǒu, "I have").

Remember: you are calling your partner's bingo game and he is calling yours. The first player to cross out four terms in a row (horizontally, vertically or diagonally) is the winner. The winner should call out: “中了！” zhòng le, "I won!").
