

V. Mixer Activity: Who's the Oldest?

Ask each other “你的生日是几月几日？” Based on the answers, form a straight line in front of the classroom, with the oldest students at the head of the line, and youngest student at the end.

VI. Pair Activity: Mini-Dialogues

Pair up with a partner, and determine who will play the part of 学生一 and who will play the part of 学生二. Complete the dialogues below by following the suggestions.

学生一

学生二

You start	Your partner starts
你： Ask if this Saturday is his/her birthday,	你朋友：
你朋友：	你： Confirm.
你： Suggest going to a movie to celebrate his/her birthday, using a tag question with 好吗.	你朋友：
